

HUNTERDON COUNTY REPUBLICAN COMMITTEE

H C R C

To all Republican Club Members:

Welcome to the Year 2003! We are looking forward to working with you again to make our Hunterdon County Republican Club a very successful organization.

This, however, can not be done without your help.

Here is a perfect opportunity for you to become more involved in our party: the Chairman's Club, which will provide members with periodic informational mailings, a web site which will contain local club information, various events, as well as information about state and federal government happenings. The Chairman's Club also helps cover the expense, rent, and operational costs for our Headquarters.

Over the years, we have watched the County grow and change: new people, new homes and new businesses. We need to involve not only new constituents, but also those who lived here for a period of time and have not actively participated in the Republican Party with its valued members and leadership. WE need to reach out to not only registered Republicans, but also to the independent voter to keep the Republican Party the majority party in Hunterdon County.

Through our Chairman's Club programs we will expand participation and involvement in the Party in meaningful ways. Through this Club, the opportunity to provide more accessibility to networking with business leaders, individuals, and certainly with our elected leaders on the national, state, and federal levels will become a reality. Events will provide public forums to not only hear from decision-makers but provide the ability to interface and be heard.

Participation on committees such as membership, finance, events, etc. provides another venue for those who wish to become involved on yet a different level. The opportunity for new leadership to emerge, for new ideas to be heard will be made available through our new communication channels where local clubs, their members, elected officials as well as constituent members can contribute.

My person informational mailings will give me the opportunity to be in direct contact with you.

There are two kinds of Chairman's Club Members: the attached application forms will explain these in detail. Please, support the Hunterdon County Republican Party, and fill out one of the attached forms and mail it back to our office as soon as possible. Your participation and commitment is highly appreciated.
